Kindergarten Extended Day Program
2010-2011

The Mendon-Upton Regional School District offers a Kindergarten Extended Day Program at both Memorial and Clough Elementary School.

There is a minimum of a two-session enrollment in this program. A two week notification will be required for any schedule changes, as well as a 30 day notification when withdrawing your child from the program. Please note that Monday or Friday will be billed as two sessions. The yearly fee for this program is divided into 10 equal monthly payments, with your first month's payment due at the time of registration. The receipt of this payment will reserve a space for your child in the program. The additional nine payments will be due September 15, 2010 through May 15, 2011.

The Extended Day session that your child attends will be contingent upon which Kindergarten session your child has been assigned (this is determined in the summer). Attendance is limited to twenty-five (25) students per session. Those children attending a full week session will be given priority.

Please note that the Kindergarten Extended Day Program is an extension of your child's kindergarten day and operates during regular school hours (9:15 a.m. to 3:15 p.m.). Below is the payment fee schedule for this program:
